### Limited license for high resolution pictures

1 Herewith we grant you the limited license for the picture(s) of the design, as provided by the download. This license is limited to the use in your own area of advertisement and communications (digitally and non-digitally), without the right of further sublicensing. The license is limited for two years after the first download or until our business relationship comes to an end (e.g. no order for more than six (6) months), whichever comes first.

2 The pictures shall not be used in any relations to the products of RENOLIT's competitors. Any violation will void the license and may lead to legal actions and the claim for damages.

3 This license is subject to German law without its conflict of laws. Place of jurisdiction is Worms, Germany.
