### Note on data protection

Due to the coronavirus crisis and to ensure a safe working environment during this epidemic crisis, we will collect your personal data at the entrance of our plant. We process your personal data as data controller and on the basis of legitimate interest.

We have implemented appropriate technical and organizational measures to protect your personal data in accordance with the 'RENOLIT Data Protection and Privacy Policy'. Your personal data is only accessible on a need-to-know basis and enables us to fulfil our duty to i) our employees, ii) our receptionist who ensures the security of the plant or stores your personal data, iii) any competent authorities upon request (including health authorities) or iv) your employer in accordance with applicable laws. Our employees and third parties who have access to your personal data are required to follow written instructions, maintain a duty of confidentiality and take appropriate technical and organisational measures to safeguard the data.

As a data subject, you have the right: i) to access and obtain a copy of your personal data upon request; ii) to request that we amend or update inaccurate or incomplete data; iii) to request that we erase all or part of your data, for example, if the data is no longer necessary for the purposes of processing; iv) to restrict or refuse to process your personal data.

Your personal data will be kept until the end of this crisis situation, after which it will be deleted. If you have any questions or requests to exercise your rights, please email our Data Protection & Privacy Office at [dirk.ehlert@renolit.com](mailto:dirk.ehlert@renolit.com).
