

Provides
certainty at
all times.

In the know.
RENOLIT EXOFOL Detector.

Rely on it.

Original or copy. In seconds you will know.

Every RENOLIT EXOFOL film has its own physical fingerprint:
the product marker.

With the RENOLIT EXOFOL Detector it becomes visible.

Simply hold the
RENOLIT EXOFOL
Detector against the
profile.

Within a few seconds
you will know whether
you are looking at a
RENOLIT EXOFOL film.

The identification is carried out completely non-destructively, even
on installed components. Furthermore, the detector distinguishes
between RENOLIT EXOFOL MX, RENOLIT EXOFOL PX and RENOLIT
EXOFOL FX.
